# QS STARS™
RATED FOR EXCELLENCE
2018

Kazan National Research Technical
University named after A.N. Tupolev - KAI

The QS Intelligence Unit has, through rigorous and independent data collection and analysis of performance metrics as set out in the QS Stars™ methodology, rated Kazan National Research Technical University named after A.N. Tupolev - KAI as a Four Star institution.

The QS Stars™ rating system is operated by the QS Intelligence Unit, the independent compiler of the QS World University Rankings® since 2004. The system evaluates universities across a wide range of important performance indicators as set against pre-established international standards. By covering a broader range of criteria than any world ranking exercise, QS Stars™ shines a light on both the excellence and the diversity of the rated institution.
